

Thailand aerosol production jumps over 5%...

The Thai Aerosol Association (TAA) released figures for aerosol production in Thailand for 2015. Total aerosol production last year was approximately 267 million cans, up from 253 million in 2014. Tinplate steel accounted for approximately 120 million cans, while aluminum cans numbered roughly 147 million. Compared with 2014, aerosol fillings in Thailand grew almost 5.5%.

Personal care products were the most popular at 47%, followed by Household at 26% and Others at 27%.

The TAA now has 21 member companies and recently elected a new Chairman: Takahashi Masaomi, President of Thai Daizo Aerosol. Masaomi will announce a new TAA Board in the upcoming months. SPRAY
