

# 220 Laboratories

220 Laboratories is a family owned and operated private label manufacturer of health and beauty aids. We have been in the industry for over 38 years and are one of the most diverse fillers under one roof. Our facility is FDA licensed for OTC and Pharmaceutical drugs and maintains an ATF license for our alcohol products. We offer extensive R&D capabilities to develop globally compliant formulations, Environmentally Preferred Products (E.P.P.), Certified Organic and Certified NPA products.

## Locations

220 Laboratories maintains two facilities: One in Hollywood, Calif. (our "Think Tank") and one in Riverside, Calif. (our 240,000 sq.ft. manufacturing facility).

## New Technologies

REFILLABLE / REUSABLE TRAVEL SIZE PRODUCT TRANSFER SYSTEM
